In brief the accommodation comprises spacious entrance porch, double aspect lounge, dining room, two ground floor bedrooms, luxury fitted ground floor bathroom, beautifully refitted kitchen/breakfast room with integrated oven/hob/grill/dishwasher/washing machine and an American style fridge/freezer. There are also French doors onto the rear garden.

To the first floor the landing has been arranged as a study area. There are two further bedrooms and a shower room.

Externally the front garden is laid to lawn enclosed by hedgerow with a driveway for several vehicles and gates onto a further courtyard and garage with up & over door.

The rear garden is a particular feature of the property laid predominately to lawn with areas of patio with maturing tree and shrub lined borders. There is a potting shed.

Other benefits include gas central heating and double glazing . In our opinion internal viewing is considered essential to appreciate the overall size and condition, natural light and versatility of this beautiful home.
