James & James Estate Agents are delighted to bring to the market this beautiful upside down house forming part of a beautiful gothic style development in the heart of Worthing town centre.

In brief the accommodation comprises remote electric controlled gates opening onto the courtyard, front door, video entry phone system, large entrance hall with airing cupboard, two ground floor double bedrooms both with vaulted ceilings, kitchen/diner with the kitchen boasting a range of modern fitted appliances including oven/hob, extractor fan, washing machine, dishwasher.

There is a luxury fitted ground floor bathroom and stairs leading to the first floor where you will find the feature lounge with roof line and gothic style arch windows and solid wood floors.

Externally there is a small courtyard garden area. In our opinion internal viewing is considered essential to appreciate the overall size, style and location of this trendy house.

Situated in the School Yard development the property is just a moments walk into Worthing town centre with it's comprehensive range of pedestrianised shopping facilities, bars and restaurants. The nearest mainline railway station is Worthing, and buses also serve the area.
