This truly unique and extensively extended detached home offers exceptional and versatile accommodation, presenting a fantastic opportunity for modernisation. Situated in a sought-after PRIVATE ROAD, the property is in need of complete refurbishment but has the potential to become an outstanding residence.

Upon entering through the storm porch, you are welcomed into a spacious entrance hall featuring a focal fireplace. A glazed door leads into the bay-fronted lounge/diner, which boasts a striking marble fireplace and an archway opening onto the sunroom. The sunroom enjoys views over the courtyard garden, creating a bright and inviting space. Off the lounge, there is a separate study, originally designed as an artist's studio, which benefits from a large bay window providing excellent natural light.

The kitchen/breakfast room offers ample potential and leads to the former leisure area, which includes a jacuzzi-style bath, shower, WC, and sauna. This space also provides internal access to the double-length garage, adding to the home's practicality.

Upstairs, the master bedroom is a standout feature, designed over a split level with a walk-in dressing room/wardrobe, sliding doors leading to a west-facing balcony, and an en-suite shower room. Bedroom two is also split level, incorporating a raised study area, while bedroom three is a generous size. The family bathroom requires renovation, as the bath is no longer present, and there is a separate WC that also needs attention.

Externally, the property benefits from a courtyard-style garden and off-road parking.

This is a rare opportunity to transform a distinctive home into something truly special.
