Situated in St. Andrews Road is a beautifully presented and extremely spacious three bedroom semi-detached house, with a useful loft room boasting pleasing views towards St. Andrews church.

In brief, the accommodation comprises a composite front door into a spacious entrance hall, bay fronted lounge, L-shaped open plan modern high gloss fitted kitchen, dining area, and double aspect family room with French doors opening onto the rear garden.

To the first floor are three good sized bedrooms and a family bathroom, and there is a spiral staircase leading to the useful loft room. There is also a ground floor w/c.

Externally, the front of the property is arranged to provide off road parking, which intern leads to a garage with personal door to garden. The rear garden is a particular feature of the property being laid predominantly to lawn with flag stone, patio, and shingled borders. Other benefits include gas central heating and double glazing. In our opinion, internal viewing is considered essential to appreciate the overall space and size of this lovely family home.

St. Andrews Road is situated in the village of Tarring, with West Worthing mainline railway station being close at hand, giving great links to most major towns and cities. Buses also serve the area. Worthing town centre with its more comprehensive range of pedestrianised shopping facilities, bars, and restaurants, is approximately two mile distance.
