#### Description

154-160 Fleet Street is a prominent period building offering a range of recently refurbished media style spaces. The office is of high specification including meeting rooms, air conditioning and fibre broadband. Tenants will benefit from a range of on-site amenities such as meeting rooms for up to 32 people, an on-site Java Java cafe, gym and shower facilities.

#### Location

The building is located on the north side of Fleet Street, situated between Fetter Lane and Farringdon Street. The location benefits from an excellent public transport network, minutes from City Thameslink station and a short walk to Blackfriars, Chancery Lane and Farringdon stations. With the imminent opening of Crossrail, Farringdon is set to become one of the main commuter destinations in London.
