# TESTIMONIALS

“ The site has a nice vibrant community feel, it's really fun to live in and there's a great vibe. We have a Facebook group where everyone talks about practical things like bins and parking, which is really helpful. We were really attracted to Simple Life because of how modern the apartments are. It's above and beyond other properties we looked at. The décor and colour scheme is fresh and modern; perfect for relaxing after work in front of the TV. ”
