THE AREAS LEADING ESTATE AGENT

| A DETACHED RURAL PROPERTY OFFERING GREAT POTENTIAL WITH LARGE GARDENS

MANLEY COMMON, FRODSHAM

£550,000

A detached rural property standing in large, mature gardens offering exciting potential for modernisation, extension and possible development, subject to planning.

The property is being offered for sale for the first time since it was built by the present owners in 1972.

It was built by skilled tradesmen using quality materials and continues to display evidence of the care and obvious pride that was taken. It is now in need of modernisation and new owners may decide to update the existing accommodation and and enjoy life in the country.

There is further potential though to embark on a more ambitious programme of works to include extension and possible development. This has been the case with some of the other homes in the locality and property values continue to reflect this investment.

The current ground floor layout includes an entrance hallway, lounge, kitchen, dining room, three bedrooms and a shower room. The first floor offers a further double bedroom and a bathroom. There are double glazed windows and oil fired central heating is installed.

The plot extends to 0.396 acres. It is a large, mature garden with scope for further cultivation and featuring a number of fruit trees and bushes.
