OLD CHESTER ROAD, HELSBY

COMMENT FROM ANDREW HAYES OF GASCOIGNE HALMAN

The unquestionable highlight is the open plan kitchen/dining and living room. It is over 31' long and 27' wide - a fabulous space for family life and for entertaining. There are bi folding doors onto the gardens and Velux windows allowing natural light to flood in. The room has plenty of space for distinct areas devoted to dining and everyday living and features a contemporary log burning stove and even has a swing!

The bespoke kitchen was custom built by Tom Howley Kitchens. It has a range of hand painted cabinets with quartz worktops. A Kohler enamelled cast iron sink has Quooker boiling water and filter water taps, there is an integrated Falcon range cooker, extractor hood, larder fridge and freezer and a built in dishwasher. A separate utility room has space for laundry appliances and further storage and there is a cloakroom/WC.

The ground floor also has a separate lounge (used currently as a playroom) and a study/potential fifth bedroom.

The first floor offers four good sized bedrooms and two luxury bathrooms, one being en-suite. The house has double glazed windows and gas fired central heating is installed. In 2019, a new boiler was installed and the house was also rewired.

There are mature gardens to the front and rear

with extensive parking available to the front. The rear garden enjoys a good degree of privacy and a sunny Westerly aspect.

LOCATION

The house is situated within one of the most popular areas of Helsby, close to Helsby Hill, open countryside and within a short walk of Hillside Primary School and Helsby High School. There are local shops and a large Tesco supermarket in the village. Frodsham is just under 2 miles away with a wider range of shops and facilities. The road, rail and motorway networks allow access to the regions commercial centres. Direct rail services run from Helsby to Chester, Warrington, Liverpool and Manchester.
