A rare opportunity to acquire a lovely detached family home set in one of the most sought after residential positions in Frodsham, in a quiet, private tree lined avenue within the Overton Five Crosses Conservation Area.

The house was built in the mid 1930's and retains the traditional style and quality of that period. It has been under the same family ownership for around 40 years during which time it has been extended and enhanced to create a home with a lovely atmosphere and feel. Potential also exists to continue to invest and improve further as has been the case with other homes in the locality.
