THE MOUNT | VICARAGE LANE, HELSBY, FRODSHAM

Accessed via a private lane, set amidst a select collection of individual homes, the approach is in itself a real feature. The private lane reaches it's leafy end and sandstone castellated walled and gated entrance opens to the house. As you enter a wide driveway, a double garage is to the left and ample parking is available.

The plot is also a wonderful feature, being a third of an acre and enjoying a high level of privacy with mature trees, shrubs and plants. There is also a productive vegetable garden with greenhouse.

Internally, the accommodation is arranged over three floors and extends in total to over 3000 sq ft (296 sq m). The layout is adaptable and offers an elegant hall, three separate living rooms, fitted kitchen, conservatory, five bedrooms and two bathrooms. There is a large loft area, a two chamber cellar providing excellent storage areas, and a range of outbuildings incorporating a utility area and further storage. The house offers great potential for new owners to adapt and enhance to suit individual requirements.
