It is surrounded by countryside and close to a number of public footpaths that wind through the canal-side and local farms.

Beautifully decorated in a blend of neutral tones and stylish feature wall that provides the perfect backdrop for the centre piece of the room – the open log fire, which is set under a beautiful stone fireplace. This is the ideal room for entertaining friends or curling up with family to watch a film. There are sliding Crittal doors between the living and dining rooms which makes the space as versatile as it is aesthetically pleasing and offers the flexibility required to meet the demands of modern family living. There is ample room in the dining room for a large table and its easy to imagine sitting down for birthdays and Christmases with family and friends here.

The orangery is an excellent addition to the property and benefits from underfloor heating and Velux window.
