Entrance hall

From the moment you step through the door, you're welcomed by light, space and exceptional attention to detail. The impressive oak and glass staircase, the seamless flow of grey porcelain tiles and the gentle warmth of underfloor heating set the tone for a home crafted with care and sophistication.

The sitting room

This spacious sitting room is flooded with natural light thanks to large French doors that open directly to the garden. The room offers generous proportions ideal for both entertaining and everyday family life. With an excellent connection to the outdoor space and a serene outlook, it provides the perfect setting for relaxation.

The kitchen

The heart of this home is its magnificent open-plan kitchen, dining and living space. With premium Neff appliances, a BORA hob, Quooker boiling water tap, wine humidifier, a central island, glossy white cabinetry and bi-fold doors leading to a covered Loggia. This high end German kitchen is a spacious area for family and guests to gather.

The utility & cloakroom

Conveniently accessed from the kitchen, the utility room provides a practical space for household tasks with a work surface incorporating a sink and plumbing for laundry appliances. A side door leads to the exterior for easy access to the garden. From this room, the garage can be accessed as well as a cloakroom with a WC and basin adds further convenience, making this a well-planned and functional addition to the home.

The primary bedroom

The primary bedroom is well-proportioned with a pitched ceiling with two Velux windows and one casement window allowing in plenty of natural light. The space easily accommodates a super king sized bed and offers room for additional furniture. The setting is both quiet and private, creating a restful retreat within the home.

The primary bedroom en suite

The en suite to the primary bedroom offers a luxurious space with a contemporary suite, featuring a panelled bath with overhead shower and glazed screen. Stylish wall tiling and a large skylight create a bright, airy feel. A floating vanity unit with integrated basin, matching tall floating bathroom cupboard and illuminated mirror enhances the sense of space, while a heated towel rail ensures comfort. This thoughtfully designed en suite delivers both style and practicality.

Bedroom two

A further super king sized bedroom, benefitting from a large window offering a pleasant outlook and allowing ample daylight. The space is versatile and would make an excellent guest room or additional family bedroom, fitted with high end German wardrobes and storage.

Bedroom two en suite

The en suite to bedroom two is accessed via a private dressing room, offering a secluded and convenient arrangement. It features a generous walk-in shower with stylish wall tiling and a large skylight flooding the space with natural light. A modern vanity unit with integrated basin provides practical storage, complemented by a heated towel rail for added comfort. This thoughtfully designed en suite creates a calm and functional space adjoining the bedroom.

Bedroom three

Currently set up as a home office, bedroom three features a skylight and neutral finishes. Its generous size makes it ideal as a spacious king sized bedroom, offering flexibility for growing families or those needing a dedicated workspace.

Bedroom three en suite

The en suite to bedroom three is well-designed with a generous walk-in shower and a large stone tiled surround. A sleek vanity unit with integrated basin and useful storage complements the clean and modern finish. A skylight floods the space with natural light, while a chrome heated towel rail adds both comfort and practicality, creating a bright and efficient shower room.

Bedroom four

Situated on the ground floor, bedroom four provides excellent flexibility. Perfect for guests, a home office or a playroom, it benefits from convenient access to the rest of the living space. This room offers a practical solution for multi-generational living or those working from home.

Bedroom four en suite

The en suite serving bedroom four is smartly appointed with a large walk-in shower featuring a glass enclosure and contemporary fittings. A sleek vanity unit with integrated basin provides useful storage while a chrome heated towel rail adds practicality. The room is finished with modern flooring and wall tiling, offering a stylish and functional space for guests or multi-generational living.

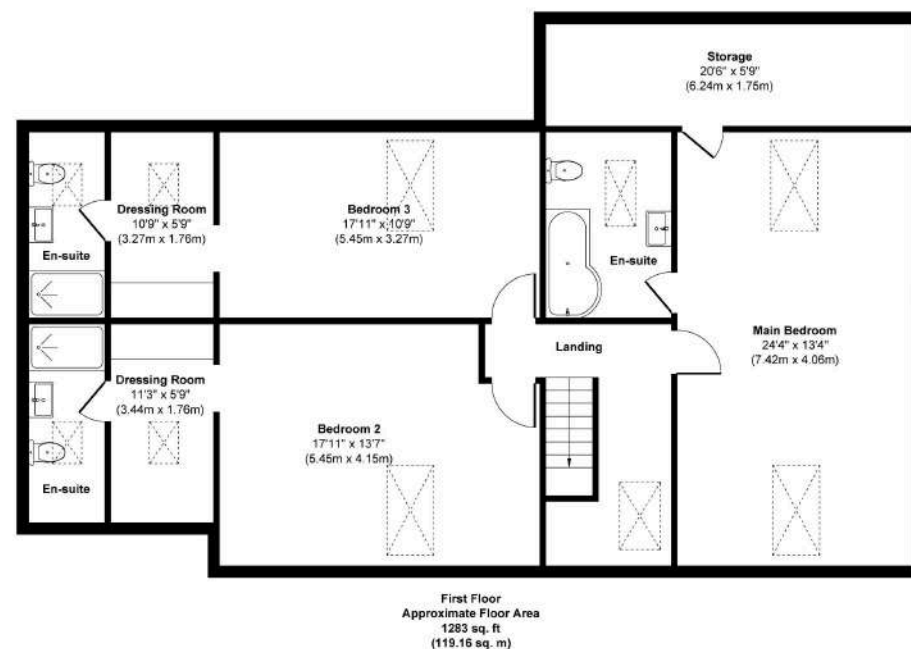

The garden

The rear garden is beautifully landscaped and predominantly laid to lawn, bordered by mature hedging for privacy. Raised beds add structure and provide space for planting, while a feature statue creates a charming focal point. A generous paved terrace runs the width of the house, offering an ideal spot for outdoor dining and entertaining. Enclosed by fencing and hedgerows, the garden is a private and tranquil retreat, perfect for families and garden enthusiasts alike.
