Garage 2

Lock Steet, Worcester WR5 1AL

Rare opportunity to purchase a single garage plot with potential to rebuild, located in a convenient town setting close to local amenities, schools, and transport links.

- Vacant garage plot offering future potential.
- Opportunity to rebuild or develop subject to planning.
- Central town location with excellent local amenities.

This single garage plot, with the former garage now demolished, offers an excellent opportunity for those seeking storage or a rebuild project (subject to planning consent). Positioned within a well-established residential and mixed-use area, the site provides scope to create a new garage or potentially explore alternative uses. The plot benefits from its highly convenient location near Worcester city centre, with a wide range of local shops, supermarkets, and leisure facilities all within easy reach. The area is also well served by schools and community amenities. Excellent road and rail connections make commuting straightforward, with nearby access to Worcester Foregate Street and Shrub Hill stations, along with routes towards Birmingham, Cheltenham and beyond.

242 sq ft (22.55 sq m)
