## 15 The Green

Falmouth, TR11 5PR

This striking modern detached home combines sleek slate and timber elevations with sustainable design, offering the perfect blend of style and eco-conscious living. Boasting triple-glazed windows, solar energy panels, air-source underfloor heating, and exceptional insulation, the property holds an impressive EPC rating of 111-A.

Inside, the luxuriously appointed accommodation features four spacious bedrooms, including a superb principal suite with its own en-suite. The open-plan design is flooded with natural light, thanks to large windows and doors that frame the breath-taking views over the golf course, trees, and surrounding countryside. A standout feature is the expansive glass-fronted balcony, perfect for enjoying the serene landscape.

Occupying a quiet position away from the road, this home enjoys a sunny south-facing aspect from all major rooms and the balcony, ensuring light-filled living spaces throughout the day.

- Stunning modern zero carbon eco-home
- Detached with attractive elevations
- 4 bedrooms
- 2 bath/shower rooms plus separate cloakroom/WC
- Attached garage and driveway parking
- Air-source underfloor heating and MVHR system
- Triple glazing
- Solar panels and EV charger
- Epitome of low maintenance living
- Close to coast path - pedestrian access through golf course

Whether you're an avid golfer, a frequent traveller seeking a low-maintenance home, or someone who values the benefits of eco-friendly living, this light-filled, spacious, and luxurious home could be the ideal fit. Built by Verto Homes in 2022 with a focus on future sustainability, it offers a contemporary design that caters to modern lifestyles and long-term efficiency.

Verto Homes state..... "A Verto home effortlessly blends contemporary aesthetics and modern house design with cutting-edge smart technology. It's a home that does good, and looks good too. We believe in creating the perfect environment inside, without harming the environment outside. That's why we only build homes that produce zero carbon emissions. While you're busy living, your home is busy learning. Adjusting the heat and light in every room, saving energy, and creating an environment which is exactly to your taste"
