14 Albany Place

Falmouth, TR11 3BZ

Just a ten-minute walk from the town centre, harbourside, and seafront, this light-filled and generously proportioned end-of-terrace house offers far more space than first impressions suggest, thanks to a thoughtfully designed two-storey rear extension. The property also benefits from a secure, level rear garden that enjoys sunlight throughout the day and into the evening, and is complemented by a detached garage directly adjacent.

14 Albany Place is a charming period home, originally built around 1890 and significantly extended at both ground and first-floor levels circa 2010. The result is an elegant, well-balanced interior with a sense of flow and light throughout. The accommodation includes three double bedrooms and two stylishly appointed bath/shower rooms. As the end property in the terrace, it enjoys the additional advantage of a gated side path linking the front patio to the rear garden—a private, west-facing outdoor space ideal for relaxation or entertaining.
