The property is currently undergoing extensive re-development to form commercial retail and restaurants on the ground floor with 49 residential units above over 5 floors.

At the rear of the site the developer has taken the old Newtons Cove carpark and built a selection of six townhouses, with gardens, parking & terraces, plus a block of twelve newly built apartments. Also a redevelopment of the Coopers Mews at the rear of the site into three, 2-bedroom, single-storey dwellings.
