Location

Taunton is a historic town with a thousand-year history located in Somerset, serving a population of 64,000 people. Taunton has road links with the M5 motorway and other major roads such as the A38 and A358. Taunton railway station is on the Bristol to Exeter line and there is generally one train an hour to London Paddington.

The property is situated in a prominent position on the corner of Lisieux Way and Severn Drive, a busy suburban thoroughfare in a predominantly residential area on the east side of Taunton. There is a community neighbourhood centre opposite including a Tesco convenience store, local healthcare facilities and a primary school all closeby.

Description

The property was purpose built as a pub by our client around 25 years ago on a site of 1.143 acres (0.462 hectares). It is a 'statement' building in the local area with an impressive thatched roof creating a farmhouse style pub. It is exceptional in both its scale and configuration.

The ground floor trading area is extensive with space to accommodate over 200 covers with further standing at a long bar servery. It features a large, modern trade kitchen and wide ranging back of house areas including walk-in cold stores, beer cellar, staff amenity space and chef's office. There is also Ladies', Gentlemen's and accessible toilets.

The first floor is also extensive with a function/trading area with space to accommodate approximately 120 covers. Other features include a lift from the ground floor, a function room kitchen, further Ladies and Gentlemen's WCs and two self-contained areas of living accommodation for staff with separate access.

The outside of the property provides space for over 70 vehicles in a tarmac car park as well as a large beer garden with space for over 100 customers.

The gross internal floor area of the property is approximately 12,281sqft (1,141sqm).
