11 Fallowfield Close, Winsford CW7 2NW

Offers in excess of £475,000

Set on the Littler Cross development on the outskirts of Winsford, this substantial detached family home is one of only a handful of this particular design originally constructed by Redrow.

The home itself sits in a quiet small cul-de-sac and sits on a good sized plot. To the front is a driveway which in turn leads to a detached double garage. Gated access then leads to a fully enclosed courtyard area to the front which provides an impressive approach to the front entrance.

Internally the current owners have significantly enhanced and improved the home with attention to detail and quality fittings throughout which is evident immediately with the impressive hallway with its glass and oak balustrade staircase providing a real center piece. Off the hallway there is a great sized lounge
