Double Garage/Gym

The current owners have converted this into a home gym but does offer the opportunity to be utilized for a number of uses or with retaining two up garage doors does offer the opportunity to be converted back to a

garage. There are full width bi-fold doors onto the rear garden.

Externally

Externally the home is set on a corner plot, with a block paved driveway providing off road parking. The double garage has been converted into a home gym with full width bi-fold doors out to the garden at the rear but could be changed back if so desired. The garden itself is fully enclosed with a stone patio area wrapping around the side and rear of the home and large lawn.
