Offers in excess of £350,000

Located on a small development of detached homes in the Darnhall area of Winsford this immaculately and beautifully presented family home is a great addition to the market.

The perfect family home, it sits just a stones throw from open space with a play area and green areas great for dog walks and children. The home itself has been significantly updated by the current owners and comprises of an entrance hallway, cloakroom, lounge overlooking the rear garden, second reception room currently used as a second lounge but would be perfect as a playroom or maybe a home office. A stunning modern white kitchen comprises a range of integrated appliances as well as space for a breakfast/dining table. Off the hallway is access to the integral garage which has a roller door and provides storage as well as having been partially converted into a utility room recently with a range of units as well as plumbing for appliances. To the first floor there are four great sized bedrooms as well as family bathroom. Bedroom One is a great sized double with a large range of built in wardrobes and large modern En-suite shower room. Externally there is a driveway to the front which in turn leads to the integral garage. To the rear is a great sized enclosed garden.
