NEWHOLM GREEN FARM, NEWHOLM- 6 bed Detached House -£599,999

Hope & Braim are delighted to present Newholm Green Farm in Newholm to the market. This stone farmhouse is a charming period home with the benefit of having a Victorian annex attached that has been a holiday let and could be used for multi-generational living in a quiet village setting. The farmhouse has recently been upgraded with air-source central heating and benefits from having triple-glazing to the south-façade and double-glazing throughout. There are well-proportioned rooms downstairs including a cosy farmhouse style kitchen, a separate dining room with double doors leading through to the lounge that both have beamed ceilings and fireplaces. Upstairs there are three double bedrooms and a family bathroom. The adjoining annexe is connected both on the ground floor and the first floor so does work as a complete property or as a separate property with its own entrance. The annexe dates from the late 1800s and has period features including high ceilings with a light filled lounge and kitchen/diner downstairs and three double bedrooms and a bathroom upstairs. Outside there are well maintained gardens with a sheltered terrace and pagoda to the rear and a double garage with driveway to the front. Newholm is a small rural village that is close to Whitby and Sandsend so you get the best of both the coast and country.
