5 TOWNEND FARM, EASINGTON- 3 bed Barn Conversion -£195,000

Hope & Braim are delighted to present 5 Townend Farm in Easington to the market. This stone barn conversion has stylish interiors inside and a courtyard garden outside with a timber-built shed and parking. One of four barn conversions arranged around a quad on the edge of the village with some rural views and being close to the coast. The property has the benefit of gas central heating and double-glazing, plus modern fixtures & fittings in the kitchen and bathroom. There is an open plan living room with a fitted kitchen and breakfast bar in one corner and a lounge area with sofas making this a sociable entertaining space. There are three bedrooms comprising two doubles and a single plus there is a family bathroom with a roll top bath and a shower. A door from the living room leads out to the enclosed garden that has a lawn, a sundeck that catches the afternoon sun and a timber-built shed for additional storage. To the front of the quad there is residents parking with enough spaces for up to three vehicles. We feel this barn conversion would make a great first-time buyer home with good transport links to either Whitby or Guisborough for work and schools.
