26 METROPOLE TOWERS, WHITBY- 2 bed Apartment -£275,000

Hope & Braim are delighted to present 26 Metropole Towers in Whitby to the market. This balcony apartment has luxurious interiors and stunning views towards Sandsend and is located within a former Victorian Hotel on Whitby's Westcliff. The building itself is currently undergoing some major works including a new roof on its iconic turreted roof with three of the four turrets now completed. The apartment is on the second floor that is served by lift access as well as the grand staircase. Inside the apartment the property is light and bright with floor to ceiling glazing and white décor throughout. There is a large, open plan lounge/diner that has Oak flooring, that runs through the whole apartment, and there is ample space for a large sofa and a dining table, plus a glazed door that leads out onto the balcony. The kitchen is linked to the lounge/diner via a large opening and has a good range of modern, high-gloss cabinets with integrated appliances and feature lighting. Both bedrooms are doubles, one being furnished with a double bed, and the other having twin beds. The bathroom has a four-piece suite comprising a bath, shower cubicle, wash hand basin and a WC. Off the central hall there are built-in cupboards for storage and houses the heating system that runs the underfloor heating and hot water. We feel this apartment offers a ready-made holiday let apartment that comes fully furnished, or could be either a private home for holiday use or permanent residency.
