A Masterclass in Contemporary Family Living
Presenting a quite exceptional David Wilson residence, impeccably maintained and enhanced since its 2017 construction, situated within the sought-after Scoresby Park development in Whitby. This substantial five-bedroom home exemplifies modern luxury, beginning with a magnificent open-plan kitchen and dining area that serves as the heart of family life. Here, high-gloss cabinetry is complemented by sophisticated marble worktops, whilst integrated appliances maintain the sleek aesthetic. French doors flood the space with natural light and provide seamless access to the landscaped gardens beyond. The accommodation extends to three beautifully appointed bathrooms, including two elegant en-suites serving the principal bedrooms, whilst quality fitted furniture throughout adds both practicality and visual appeal. Double-glazing and gas central heating ensure year-round comfort, with the added benefit of solar energy demonstrating forward-thinking credentials. The outdoor space proves equally impressive. Thoughtfully tiered gardens culminate in a west-facing terrace—the perfect setting for evening entertaining whilst capturing those cherished sunset views. The landscaping has been carefully considered to provide both beauty and functionality. Practical considerations are admirably addressed with a double garage and additional parking provision, ensuring ample space for the modern family's requirements. This is a home that has been cherished and maintained to exacting standards, where quality craftsmanship meets contemporary design. The combination of generous proportions, premium specifications, and that enviable garden aspect creates a rare opportunity in this popular location.
