Situation and Description

Walney Barn is situated in one of Hereford's most sought-after areas and offers easy access to the city whilst enjoying far reaching views over the Lugg Meadows. An extensive range of services and facilities are within easy reach including colleges and schools, the city hospital, a mainline train station, a choice of shops, Hereford Cathedral, and much more.

Designed by an award-winning architect, the design mimics a Dutch barn and cleverly designed to create spacious accommodation laid out over three floors. Space has been optimised throughout the house, whilst fittings include a luxury kitchen, stylish bathrooms, a security system with cameras and video on the driveway, underfloor heating throughout to the ground floor and bathrooms, and mood lighting in every room. Externally the building is cedar clad with a zinc roof and galvanised downpipes. The gardens offer plenty of space and the property is approached by its own long private driveway with automatic gates.

On arrival glazed doors lead into a light and welcoming reception hall and then into a very impressive sitting room with barrelled ceiling, tiled and wooden flooring, and full-length windows and doors giving access to and overlooking the sun terrace and gardens. Open plan to the kitchen/breakfast area, the ground floor is practically designed and ideal for entertaining with a large central workstation and again easy access to the sun terrace. A separate large family room/tv room provides quieter area to sit and relax. The ground floor is supported by a good-sized utility room as well as a cloakroom and storeroom.

On the first floor there are two large light and airy double

bedrooms, both of which benefit from en-suite wet rooms. The bedrooms to the rear have their own balconies and stunning views across the gardens towards the Lugg Meadows. There are three further bedrooms/study room on the second floor, two of which share a Jack-and-Jill fully fitted bathroom with a walk-in shower.

The house is entered by electric gates and then by its own long private driveway which leads to the front of the house. There is plenty of parking and turning, as well as access to a detached garage/workshop.

The plot in total extends to approximately three quarters of an acre. The main gardens are to the rear with a large expanse of lawn, good sized sun terrace, mature trees, and stunning views.
