

BUILDING PLOT

The Hedgerow, Marden, HR1 3EY

In a highly sought after location, an outstanding opportunity to purchase a freehold building plot with detailed planning consent to create a very individual and attractive detached house which will offer nearly 3500 sq. ft of living and garage space, all set in a generous plot.

Offers based on £220,000

Situation and description

The Hedgerow is a large building plot which, when built, will be one of a number of individual houses and cottages that form the small hamlet of Litmarsh. This small hamlet lies on a small country lane away from main roads but offers easy access to the nearby villages of Bodenham and Marden which offer a range of local facilities, with more extensive services at the market town of Leominster and at the cathedral city of Hereford.

Planning permission was originally granted for five individual properties in 2020 and four have already been completed on the site. (https://www.herefordshire.gov.uk/info/200142/planning_services/planning_application_search/details?id=201300&search-term=201300)

The Hedgerow is the largest plot and offers the opportunity to build a very individual and stylish property or adapt the current plans subject to approval.

In our view the plot offers an all to rare opportunity for private individuals or developers to create not only a comfortable home but to also make the most of this potential investment opportunity.
