

72 Congleton Road

Stoke-On-Trent, ST8 6EG

Price £160,000

Here at Carters, we are excited to welcome to the market, this extremely well presented and deceptively spacious end terrace, which has seen substantial investment and refurbishment by the current owners over recent years.

Situated on the outskirts of the town centre, this fantastic property is an ideal purchase for first-time buyers, young families and downsizers alike, benefitting from excellent local schools, amenities, idyllic walks and the leisure centre, all just a short walk away. Benefitting from an elevated position and being set back from the main road, this fantastic property enjoys extra privacy which you wouldn't usually find with the standard terraced property. Step through the front porch and into the property, where you will instantly feel relaxed and at home. To the front elevation there is a large yet cosy living room where you can relax and settle down into the evening. Following on is a large kitchen/diner which has been extended in previous years to provide the perfect entertaining space for friends and family. There are also two bathrooms to be enjoyed, which is a pleasant surprise. The main family bathroom is on ground floor and boasts a four piece modern suite, whilst the second is a generous shower room, on the first-floor, which is just off the main bedroom. The two bedrooms are both good sized doubles, with the main bedroom enjoying French doors which leads out to a small balcony where you can sit out with a morning coffee. The exterior enjoys a traditional and private courtyard, here there is direct access to the detached garage as well as providing side access to the property.

Viewings are highly recommended to appreciate this fantastic property. Call the office today on 01782 470391 to arrange your viewing.
