

8 Chatsworth Drive Stoke-On-Trent, ST9 0PB **Price £250,000**

Here at Carters, we are pleased to welcome to the market this very much loved and larger than average, four-bedroom detached family home, which is available to purchase with no onward chain.

Having undergone a rear extension in previous years, this fantastic property is a generous size, providing flexible and extensive living for young and growing families to set down roots and enjoy putting their own stamp on this 'forever' home. Although in need of selective modernisation, the property itself is in excellent condition throughout. Any work that is required is strictly cosmetic and solely down to the buyers discretion, which can be carried out after completion and whilst living at the property, if desired. On entering the property you are welcomed into the entrance hall, which in itself is a spacious space. Here you will find access into the WC and the living room, as well as the stairs to the first-floor leading off. The living room is to the front elevation and enjoys a large bow window which allows ample of natural light to flood through. Following on is the large dining/family room and conservatory, as well as the kitchen. The kitchen again is a generous size and enjoys plenty of work surface space and units. As you head up the stairs there is the benefit of four bedrooms, as well as a family bathroom and a separate shower room to help as the family grows. The exterior is just as impressive and extensive, allowing for potential future extensions (if planning is permitted). The gardens are beautiful and established, boasting delicate landscaping with seasonal shrubbery and flowers to both the front and rear elevations. There is also a block paved driveway which provides ample off-road parking for several vehicles. It leads down the side of the property, towards the rear and to the detached garage, which in itself is a larger than standard size.

Viewings are highly recommended to appreciate this impressive home and to take advantage of the potential it holds.
