Here at Carters, we are proud to be welcoming to the market this one of a kind and extensive, two bedroom, detached true bungalow.

Situated on the outskirts of the picturesque semi-rural Village of Harseahead, just outside the neighbouring Village of Brown Lees, there are many fantastic amenities, views and walks to be found, most of which are either a short walk or drive away. Nestled within what is close to a 1/4 of an acre, there are substantial grounds for the family to grow, enjoy and explore, including a large lawn, a small orchard and a meadow garden which reveals a generous and calming pond, where you can sit and relax amongst dragonflies and wild flowers. The accommodation itself is also a good size. It benefits from two generous double bedrooms, a large living room to the front elevation, a good-sized kitchen, a conservatory, and a family bathroom. There is also off-road parking for multiple vehicles, as well as three garages, one of which is a larger than average double. The double garage provides an ideal work space or storage for any car enthusiasts, with potential for conversion, if so desired (planning permitting).
