

24 Halls Road Biddulph, ST8 6DB

Price £325,000

Here at Carters, we are excited to be welcoming to the market this immaculately presented and recently renovated, four bedroom semi-detached family home, which is available to purchase with no onward chain. Situated on the outskirts of Biddulph town, there are plenty of excellent local amenities to enjoy, including the likes of Halls Road Playing Fields, Biddulph Valley Leisure Centre, Woodhouse Middle Schools and Biddulph Valley Way. Taking a short stroll, there are even more amenities to enjoy, such as Biddulph Grange Country Park, supermarkets, pubs and skate park.

This fantastic property is 'turnkey' ready to enjoy right from day one, making this home an ideal property for young and growing families alike. The property itself is deceptively spacious and flexible, with the ground floor boasting a relaxing snug with a box bay window and a multi-fuel burner. Carry on through to the kitchen/family room, which is breathtaking in its own right. Here is where you'll likely spend most of your time, either cooking, entertaining, or relaxing on the warmer evenings with the bi-fold doors open. There is also the added benefit of a utility room, for those muddy boots and coats to be stored, as well as a modern WC. Head up the stairs, where there are four bedrooms, three of which are doubles, whilst the fourth is a generous single and a shower room. Externally, there has been yet further investment, which has been substantial. The rear is private and low maintenance, it is south facing, therefore a sun paradise, with a pergola providing some much needed shade. The driveway is extensive, with a beautiful and modern cement imprint finish, providing off-road parking for multiple vehicles. There is also a garage which benefits from an electric roller door and provides rear access to the garden and utility.

We highly recommend an early viewing to avoid any disappointment. Please call our friendly team on 01782 470391
