Here at Carters, we are delighted to be welcoming to the market this immaculately presented and generously extended two/three bedroom, detached bungalow.

From the front, you could be forgiven for thinking this beautiful bungalow is a 'typical' true bungalow. However, prepare to be amazed....

This fantastic property is like no other, occupying an extensive plot, boasting a detached garage, a fully powered summer house, a pretty and large cottage garden, with a further 'secret garden' left to be discovered, which in itself is larger than most. If that wasn't enough to entice you, then the garden enjoying a south facing position and being extremely private will really tick every one of those house hunting boxes. The property itself is just as impressive and has undergone substantial investment from the current owners and an extensive rear extension to offer a family home, which is an ideal purchase for young families and downsizers alike. The accommodation is spacious and flexible, having two large double bedrooms to the front as well as a cosy living room towards the rear, which can be utilised as desired, whether that's for a needed third bedroom or a formal dining room. Entering the property to the side, you will instantly feel at home, with a spacious entrance hall and traditional tiles to welcome you home, this leads you through the entirety of the property and provides a lovely feel, added space and flow. The bathroom is modern and large, boasting a four piece white suite to either soak in bubbles after a long day or start the day off with a quick shower. The hub of the home is to the rear. This is where the main extension is and where we imagine you will spend most of your days either cooking, relaxing, or entertaining friends and family. It is a large space which enjoys a modern wooden kitchen, with a designated lounge area which boasts French doors leading out onto the raised decking, as well as beautiful skylights set within the vaulted ceiling.
