Here at 1st Class Student Homes our aim is simple, we want to provide you with a comfortable, safe and high quality property during your stay with us. We fully manage ALL of our properties meaning you will have a point of contact with a 1st Class Student Homes property manager throughout your stay.

In the event you experience any issues at the property we have a fully functional maintenance team at our disposal. We pride ourselves on

our fast and thorough service and can have any general maintenance request logged, instructed and completed often within 24 hours. Any emergencies that may occur are made priority and an immediate callout will be organised.

We are aware that the life of a student is stressful at times so we wanted to take some of that stress away. We also provide both cleaning and gardening services at select properties.
