You enter the property through a timber door into a welcoming hallway which has fitted carpet flooring underfoot, uPVC double glazed window to the side, low energy contemporary ceiling lighting, a feature that continues through the property, single radiator and power socket and doors leading to the lounge and downstairs W.C.

GROUND FLOOR WC 5'1" x 2'9"

Handily located just inside the entrance to the property, this downstairs W.C. is fitted with a white, wall mounted hand wash basin with a white tiled splashback and a matching low level W.C.. There is a single radiator, vinyl flooring and a side facing obscured glass uPVC window allowing natural light to enter and a door leads into the hallway.

LOUNGE 14'7" x 14'7"

Boasting tasteful, neutral décor, this spacious lounge is located towards the front of the property with a uPVC double glazed window allowing natural light to enter. There is fitted carpet flooring, double radiator and ample space for lounge furniture. A cupboard under the stairs offers storage, comes with a power socket and a carpeted staircase ascends to the first floor landing. Doors lead to the dining kitchen and entrance hallway.

KITCHEN DINER 14'7" x 9'7"

Positioned to the rear of the property with a set of French doors and a window to the rear flooding the room with natural light and giving access to the rear garden, this spacious dining kitchen is fitted with cream base and wall units with wood effect worktops, tiled splashbacks and stainless steel sink with mixer tap. Cooking facilities comprise of a four ring gas hob, electric oven with pull out extractor fan over. There is an integrated washing machine, space for an American style upright fridge freezer and space to accommodate a dining table. Vinyl flooring runs underfoot, there is a single radiator plus 2 contemporary, low energy ceiling lights. An internal door leads to the lounge.

LANDING

A carpeted staircase ascends from the lounge to the good size, carpeted landing space. A hatch gives access to the loft, there is a single radiator and power socket. Again, there is a contemporary low energy light to the ceiling, a smoke alarm and doors lead to all bedrooms and the house bathroom.

BEDROOM ONE 12'10" max into recess x 8'2"

Located to the front of the property, this double bedroom has storage options in the rail to the recess and space for free standing bedroom furniture. There is a uPVC double glazed window, fitted carpet flooring and single radiator. An internal door leads to the landing.

BEDROOM TWO

Located at the rear of the property is this second double bedroom which, in design, matches the larger bedroom to the front. There is a storage option having a hanging rail to the recess plus space for freestanding bedroom furniture. There is fitted carpet flooring, a uPVC double glazed window to the rear overlooking the garden and single radiator. There is a TV aerial point and an internal door leads to the landing.

BEDROOM THREE 8'1" x 6'2"

Located at the front of the property, this third bedroom is again well presented, has space for a single bed plus free standing bedroom furniture and is currently used as an office.
