PAISLEY  
PROPERTIES

## ENTRANCE

You enter the property via a uPVC door into the living room with double glazed panel above letting natural light in.

## LIVING ROOM 12'11" x 12'10" max into recess

Delightful living room, located at the front of the property and with uPVC double glazed window allowing lots of light in. There is a lovely, contemporary log effect fire with limestone surround giving a focal point to the room and there are original period features such as the ceiling rose and decorative coving. There is a double radiator in addition to the underfloor heating, laminate flooring and an internal door leads to the inner lobby.

## INNER LOBBY

An area that links the kitchen and living room having carpet flooring and a carpeted staircase leading to the first floor. An internal door leads to the breakfast kitchen and glass panelled door to the lounge.

## BREAKFAST KITCHEN 14'0" x 12'9"

Exceptional, recently installed modern kitchen having a great range of wall and base units with a light grey finish, complimentary rolled worktops with inset composite sink and mixer tap with matching splashbacks and island unit incorporating a seating section. The many integrated appliances come in the form of an upright fridge freezer, eye level oven and microwave, induction hob in the island unit which also has a wireless phone charging pad. There is a double glazed window to the rear letting in plenty of natural light, laminate flooring, an upright designer radiator and contemporary ceiling lighting. Internal doors lead to the utility area, inner lobby and double doors to the dining room/study.

### **STUDY/DINING ROOM 11'4" x 10'4"**

Extremely useful room with a variety of uses and located at the rear of the property with a uPVC double glazed door giving access to the patio and external space. There is a double radiator, laminate flooring and inset spotlights to the ceiling. An internal door leads to the large store and double doors to the kitchen.

### **LARGE STORE ROOM 11'11" x 10'6"**

Forming part of the original garage, this is another very useful space, either for storage or potentially for further development. There is a double glazed window to the side, power sockets, low energy strip lighting and this is where the combination boiler is housed. Internal doors lead to the garage store and the dining room/study.

### **GARAGE STORE 10'4" x 5'5"**

This is the other part of the former garage, having the electric roller shutter garage door and room to store items.

### **UTILITY AREA 6'9"ax x 2'2"**

Located off of the kitchen, this practical space has laminate flooring, plumbing for a washing machine and space for a tumble dryer. Internal doors lead to the kitchen and ground floor shower room.

### **SHOWER ROOM 7'0" x 6'9"**

Stylish ground floor shower room, having a three piece suite in white consisting of a double shower area with rain shower over and separate hose, vanity wash basin with mixer tap and storage under plus a twin flush low level WC. There are attractive grey tiles to the walls and splash areas, laminate flooring and a designer, grey ladder towel radiator. Plenty of natural light is brought in via the two uPVC double glazed windows with obscure glass, there is inset ceiling spotlights and an extractor fan. An internal door leads to the utility area.

### **LANDING 12'10" x 3'2" and 7'10" x 4'11" max including stair**

Carpeted stairs ascend from the inner lobby onto the landing, split into two halves, having carpet flooring, a single radiator and one half having a storage cupboard and giving access to the two larger bedrooms, the other half giving access to the other bedroom on the floor, the house bathroom and staircase leading to the second floor.

### **BEDROOM ONE 16'0" x 10'5"**

Excellent sized double bedroom, located at the front of the property and plenty of natural light brought in via the uPVC double glazed window. There is carpet flooring and plenty of room for free standing bedroom furniture. There is a double radiator and lighting comes in for the form of inset ceiling spotlights. An internal door leads to the landing and a wide opening leads to the washroom en-suite.

### **EN-SUITE WASHROOM 10'5" x 7'1"**

Again, a very good sized space, located at the rear of the property and having a u:PVC double glazed dormer window bringing in plenty of natural light and giving views of the extensive garden. There is a vanity wash basin with mixer tap and storage, twin flush low level WC, inset spotlights, chrome ladder towel radiator and laminate flooring. There is room for a bath and/or shower if one needed to be added. A wide opening leads to the main bedroom.

### **BEDROOM TWO 12'10" x 9'4" max to recess**

Second double bedroom in the part of the property, again located at the front with light brought in via the uPVC double glazed window. There is carpet flooring, plenty of space for free standing bedroom furniture and a single radiator. An internal door leads to the landing.

### **BEDROOM THREE 11'6" x 7'4"**

Third well proportioned bedroom on this floor, this time located at the rear of the property with the uPVC double glazed window giving views of the garden. There is space for free standing bedroom furniture, carpet flooring and a single radiator. An internal door leads to the landing.

### **BATHROOM 11'5" x 5'1"**

Having a three piece suite in white consisting of 'P' shower bath with mixer tap and shower attachment, vanity wash basin with mixer tap and storage and a twin flush low level WC. There is a black upright towel radiator, tiled flooring and uPVC double glazed window with obscure glass. An internal door leads to the landing.

### **SECOND FLOOR 20'10" max limited headroom x 12'9"**

Stairs ascend from the first floor landing to this impressively sized room having plenty of space to use as a double bedroom, as it is currently, with the added feature of having an open plan bathroom area. There is a roll top style bath, wall mounted basin, double radiator and eaves storage, which is a detail to the main area too. There are two radiators, a mixture of carpet and timber flooring and natural light is brought in via the double glazed window to the side.

### **EXTERNALLY**

The external of this property is by no means a let down. In fact it adds significantly to the property, with so much potential and a variety of options. To the front there is a compact patio and gates leading to the garage door. There is side gated access to the rear with a good size patio adjacent to the property having water supply and power. There is a garden shed and summer house, with the gate leading to the significant, enclosed garden space having patio, lawn and path leading to the bottom.
