RESIDENCE

5 Bedrooms | 2 Public Rooms | 3 Bathrooms

This impressive and rarely available traditional stone townhouse is located just off the High Street in the highly sought-after market town of Lanark.

The upper residence boasts a wonderful roof terrace with views towards Tinto Hill and beyond.

The villa serves as a unique family home, accessible from the side of the building - entry from St Leonard Street is through the original timber arched side doors into a cobbled close, with additional access available through Wellhead Court at the rear. A curved staircase connects the ground floor to the upper, and just before reaching the first-floor entrance to the villa, there is a large bedroom with modern shower en-suite bathroom—this space could be kept as part of the current living arrangement or repurposed as a small bedsit to rent out, with or without the shop.

The first-floor landing leads to a formal lounge with two large front-facing windows, a family room or sitting room with floor-to-ceiling window, a bedroom with an en-suite bathroom and a fully fitted dining kitchen featuring integrated appliances and a charming rear-facing window with a window seat. The top-floor hallway provides access to three further large double bedrooms, one of which opens onto the roof terrace, as well as a spacious family bathroom.

Additional benefits include gas central heating, new double-glazing throughout, and ample storage space. Parking is available nearby in the cobbled close to the side of the property and in Wellhead Court at the rear.
