IF YOU LIVED HERE...

Ascending to the first floor, you are welcomed by a thoughtfully arranged layout. Just off the main entrance, a spacious storage cupboard provides the perfect place to keep coats and shoes neatly tucked away.

To your left, you'll discover the bedroom—a bright and airy space featuring generous built-in double sliding wardrobes. A large window overlooks the lush green gardens below, allowing natural light to flood the room. Soft carpeting enhances warmth and comfort, making stepping out of bed each morning a pleasure.

Opposite, you'll find the conveniently located bathroom. Designed with a sleek, modern suite, it features a glazed full-sized bath and shower combination—ideal for both a leisurely soak and a quick refresh. A double mirrored cabinet offers ample storage, keeping the warm wood shelf clutter-free. Echoing the same wood panelling, the bath's side detailing, combined with LED lighting along the edge, creates an ambient spa-like experience—simply dim the lights and unwind.

The kitchen and reception area form a stunning open-plan space extending nearly 27 feet. Pale wooden flooring and crisp white walls set a fresh, contemporary tone, complemented by a striking soft, dark blue feature wall that adds character. The L-shaped kitchen combines blond wood cabinetry with a bank of cream high-gloss

upper cabinets above and stylish grey granite work surfaces, all seamlessly integrating quality appliances. This inviting and sociable space is perfect for preparing meals while staying engaged with guests. With ample room for both lounging and dining, this versatile area can be tailored to suit your lifestyle.

Step out onto your private wood-decked balcony, a sheltered retreat with frameless, glass balustrades offering uninterrupted views over the well-kept communal gardens below. Whether you're enjoying a book, soaking up the changing light, or simply watching the world go by, this space is a wonderful extension of your living space.

WHAT ELSE?

- The Times recently named Highams Park as one of "the best places to live" incorporating expansive green space, local convenience, and great transport links, it's easy to see why.
- Explore the expanse of Epping Forest by bike or foot and the scenic charm of Highams Park Lake - both are on your doorstep.
- Vino Tap, The Stag & Lantern Micropub, Yaz, Biba & Wren and Mood Lift are all great places to try.
- Aside from a buzzing high street, you'll also find the convenience of a Tesco Superstore and other chains should you need essentials.
- Highams Park Station is just a brief stroll away, connecting you to Liverpool Street in under 25 minutes or the Victoria Line at Walthamstow Central for easy access to other parts of London.

"A WORD FROM THE EXPERT"

"Around the corner from the office are The Stag and Lantern and Vinoramica, perfect spots for all your alcoholic needs. If you fancy a nice coffee pop into Biba & Wren Coffee Shop. My favourite local walk to where I live is through Epping Forest from Highams Park to Chingford Plains, ending at The Butlers Retreat. If you fancy a bike ride The Lea Valley is expansive and offers plenty of different routes in and out of London. The area is the perfect halfway house, offering all the benefits of London but with the green space and community feel of a countryside village! I also love the variety of different architecture on offer throughout E4."
