The Living Space

The home welcomes you into a spacious hallway with wood panelling and a feature staircase, and the main living room is situated to the left, spanning the full depth of the property and affording a super spacious feel from front to back, with plenty of space for both the lounge and dining area. A fireplace with gas fire holds the centre of the lounge, and the windows to the front and back allow plenty of natural light to pour in. And for those with the appetite to reconfigure, his house holds great potential to create that sought-after open plan living if desired. And an external door from the kitchen leads to the utility and garage which adds an extra element of practicality.

The Bedrooms & Bathroom

Upstairs, three double bedrooms and the main bathroom are connected by a spacious, bright and airy landing area, and much like the living space downstairs, the bedrooms and bathroom all benefit from generous sizes and have been kept in immaculate condition.

The master bedroom is situated to the front, with dado rails complementing the contemporary wallpaper and decorative coving. Two more double bedrooms are situated to the rear and are presented in equally impressive condition, while also boasting fantastic views of Jumbles Country Park and surrounding scenery.

The main bathroom is a great size and benefits from tiling to the floor and walls, with a four-piece suite with corner bath, walk-in shower, tiled-in wash basin with integral storage, and WC.

The Outside Space

Like the interiors, the outside space has clearly been well kept and cared for. Externally the property benefits from a double drive and lawn to the front, in addition to a substantial rear garden and several sun-soaked terraces, perfect for social occasions on long summer days!
