Externally the house features a front lawn and driveway with an attached garage, plus a garden to the rear overlooking open fields and woodland.

The Living Space

Situated to the rear of the home is the open plan lounge-diner, which is a bright and airy room that makes the most of the scenic views to the rear, and its spacious footprint provides plenty of room and versatility in use.

The kitchen is situated in the middle of the property off the central hallway, with a range of integrated appliances including an electric oven and four plate gas hob with extractor, fridge, freezer, and stainless steel sink with mixer tap and drainer. White shaker-style cabinetry keeps the room feeling bright, and a contrasting dark worktop complements the tiled splashbacks.
