The Living Space

Huge windows pour lots of natural light into the open plan living, and the exposed brick feature walls tell a tale of the property's history as a mill, while creating a modern, urban feel. As well as the open plan living space on the ground floor, the current owner uses the mezzanine bedroom as a second lounge and home office, providing further practicality and unique lifestyle options.

The Bedrooms & Bathroom

The mezzanine bedroom as mentioned about is a substantial double, as are the primary and second bedrooms. Each of the bedrooms are found in great condition presented to contemporary standards, one of which is on the top floor, and the master is on the bottom floor adjacent to the modern bathroom. Within the bathroom is a three-piece suite comprising spacious walk in shower, vanity basin with integral storage, and WC, plus a chrome heated towel rail and mirrored, wall mounted cabinet, and the finish is modern tiling to the floor and walls.

Unlike most other apartments, this one benefits from a garden! The garden is private and low maintenance, meaning you can enjoy some time sat in the sun on summer days, while still enjoying the perks of apartment living, with Eagley Brook flowing by across the road.

There is on street parking directly outside the apartment, with a lockable gate that leads from the garden to the street, yet the property also has an allocated car parking space on the private, purpose built car park.
