

Delph Brook Way

Bolton, BL7 9TU

Offers around £365,000

Occupying an elevated plot on the well-established and sought after development of Delph Brook Way in Egerton, this extended, three-bedroom, link-detached property provides a fantastic amount of space for family life. The internal accommodation comprises a spacious hallway, large lounge, dining room and large kitchen-diner, three well-proportioned bedrooms and a family bathroom, while externally the property benefits from a substantial garage, drive to accommodate several cars, and a private, landscaped garden to the rear.

The Living Space

The home welcomes you into the hallway which gives the first glimpse of the spacious proportions. To the right is the lounge which spans a generous 24 ft long hence providing a great amount of space for the needs of family life. A pair of double doors leads further to another reception room at the back which provides more practicality and versatility. This room is suitable as a dining room owing to its position adjacent to the kitchen, but also would be a lovely snug or second lounge with its French doors onto the back garden, or perhaps a playroom for the kids!

The kitchen also lends itself to a growing family owing to its great size, with ample space for a large dining table too, or if you wanted to install an island instead! In its current configuration, integrated appliances include a dishwasher, oven and grill, four plate hob and extractor, sink with drainer and mixer tap, plus plenty of cupboard space. The attached garage has an adjoining wall to the kitchen, and would be suitable for partly converting to a utility room if desired.

The Bedrooms & Bathroom

Upstairs the generous proportions continue with well proportioned bedrooms and a spacious family bathroom.

The master is situated to the front and has lovely views toward Winter Hill, along with a range of fitted furniture including wardrobes, dressing table and drawers. The rear bedroom is also a good sized double which benefits from some more fitted wardrobes, while the third bedroom is a good sized single and would alternatively suit use as a home office if you work from home.

The family bathroom benefits from tiling to the floor and walls and a contemporary three-piece suite comprising a large walk in shower with glass façade, vanity basin with integral storage and WC.

The Outside Space

In addition to the large drive at the front, the property benefits from a large, landscaped garden to the rear too, providing a private spot for enjoying time outside during the summer months. The garden to the rear is tiered, with a large patio area and an artificial lawn at the top, all surrounded by mature trees and large shrubs which create a real private feel.
