Bolton, BL7 9UD

Offers over £550,000

Sitting on a huge plot in the corner of a quiet cul-de-sac in a well-established and sought-after part of Egerton, this detached and extended property is a fantastic family home, with four good sized bedrooms including an impressive master suite, and an excellent amount of living space for the whole family. The property has recently undergone a modern renovation, and there are aspects of the property which still require cosmetic finishes.

The ground floor comprises an entrance hall, open plan kitchen, dining and living area, lounge, utility, downstairs WC/cloak, while upstairs is the master suite with walk-in dresser, wardrobe and en-suite, a family bathroom, spacious landing, and three more bedrooms. Externally the plot features a double drive, and to the rear is a huge garden which benefits from a lovely outlook onto neighbouring woodland.

The house welcomes you into a central hallway which connects the living spaces and gives that lovely homely feel. To the left is the traditional lounge which features a log burner plus a floor to ceiling window and glass sliding door which frames the fabulous views at the back.

Within the fitted kitchen is a range of integrated appliances including a fridge, freezer, dishwasher, double oven, warming drawer, microwave, five-plate induction hob with inset countertop extractor, and inset sink with drainer and matt black feature tap. Bifold glass doors create a bright and airy feel and allow you to enjoy more of the lovely green views, and adjacent to here is the utility, which is a great size with an extra sink and storage, plus plumbing for the washer and dryer.

Bedrooms & Bathrooms

The bathroom is well proportioned for family life and is also finished to stylish modern standards with tiling to the floor and walls, plus a comprehensive wash basin, WC, and storage unit, and bath with shower. The three other bedrooms are all good sizes which can accommodate double beds if required, and the landing is spacious too, allowing a 'work from home spot' with a lovely view!

In addition to the private drive at the front, to the rear is the huge garden which has heaps of potential. Immediately outside the property is a large terrace area, perfect for socialising in the summer months. The terrace sits next to a spacious lawn, which leads to what's currently used as a children's play area at the side of the property. Beyond this upper level, the garden expands to several lower levels with mature shrubbery and trees, which provide a great amount of space and potential.
