Sit on a large corner plot within the well-established location of Saxby Avenue in the heart of Bromley Cross, this detached three bedroom property features over 1,000 sq ft of well-presented internal floor space, with excellent scope to extend if desired (subject to regulations). A brief overview of the ground floor includes an entrance hall and downstairs WC, large lounge with open aspect dining room, and spacious kitchen. Upstairs are three bedrooms with an en-suite to the master, and a family bathroom. Externally the house has a wonderful kerb appeal, and the plot includes a private drive, front lawn, a secluded suntrap rear garden, plus ample outside space at the side of the home.

Living Space

The property opens into a practical entrance hall with access to a modern, stylishly refurbished WC/cloakroom. From here, you step into a generous lounge finished with solid oak flooring, offering a warm and inviting space for everyday family living. An open archway creates a seamless flow into the rear dining room, allowing natural light to travel through the full depth of the home and enhancing the sense of space. The dining room features floor-to-ceiling sliding doors that open directly onto the rear garden, giving the room a bright, airy indoor-outdoor quality that is ideal for summer entertaining and lifestyle enjoyment.

The adjoining kitchen is well equipped with integrated appliances, including two Neff ovens, and a matching four-ring gas hob with extractor, fridge, freezer, washing machine and a stylish sink with swan-neck mixer tap. The kitchen is designed for both practicality and social appeal – a breakfast bar offers relaxed seating for two, and there is a useful understairs storage cupboard to keep the space tidy and organised.

Bedrooms & Bathrooms

All bedrooms and bathrooms are presented in excellent condition, offering a move-in-ready home. The two rear bedrooms enjoy far-reaching scenic views towards Winter Hill, creating a peaceful backdrop to wake up to each morning. The principal bedroom at the front is a generous double and benefits from a contemporary en-suite, fitted with a walk-in shower with tiled surrounds, wash basin, WC and a chrome heated towel rail.

The family bathroom boasts a stunning design with matching full modern tiling to the floor and walls. It features a sleek fitted vanity unit with integrated storage, WC and a bath with the option to add an overhead shower if desired, providing a flexible, well-finished space that is as practical as it is attractive.

Outside Space

Set on a generous corner plot, the property offers strong kerb appeal with neatly kept front lawns and a private driveway. The rear garden benefits from a desirable westerly aspect, capturing afternoon and evening sunshine that’s ideal for outdoor dining, lazy weekends in the sun, and relaxing after work.

A large stone-paved patio spans the full width of the home and continues along the side, creating a versatile outdoor area ideal for entertaining, barbecues or a quiet seating area. Beyond the patio is a well-kept lawn, and the entire garden enjoys an excellent degree of privacy thanks to tall, established conifers that provide year-round seclusion.
