A truly unique development of four homes by
AWARD WINNING DEVELOPER CB HOMES LTD

Welcome

Welcome to Blagg's Court, an exclusive development of two studio apartments and two houses, set in the historic heart of Tarporley.

Tarporley

Renowned as one of Cheshire's most attractive villages, Tarporley is located in the county's rural heart, within easy reach of the city of Chester and the market town of Nantwich, with good access to the national motorway network too.

The village is very well served with an array of excellent shops and independent boutiques, from fashion to food, along with numerous renowned cafés, restaurants, pubs, hotels, and community amenities, making it a delightful location in which to live, work and socialise.

Full of traditional charm, the thriving high street still looks much as it did a century ago, lined with some beautiful, listed buildings. These include Tarporley Market Hall and the former coaching inn, The Swan Hotel, both of which date from the eighteenth century.

Outdoor enthusiasts will enjoy the village's close proximity to Delamere Forest, while history lovers are spoilt for choice with the castles of Beeston, Bickerton, Cholmondeley and Peckforton located close by. Numerous other famous attractions, such as Jodrell Bank, Bolesworth and Oulton Park are also found within a short distance.

THE MOTTE ♦ Perfectly designed for modern living, the deceptively spacious ground floor of this beautiful home has a good-sized kitchen-dining area and a useful utility room, as well as a family room and a further reception room, an ideal space for a study or retreat. The practical outdoor amenity area provides space for car parking.

An open tread feature staircase leads up to the galleried landing. The magnificent master bedroom has its own dressing room as well as an ensuite bathroom. The generously proportioned second bedroom has extensive fitted wardrobes. A separate bathroom completes the first floor accommodation.

The New Homes Quality Code: Statement of Principles

This **statement of principles** (the core principles) sets out the main principles which we, as registered developers agree to follow to benefit their customers.

1. **Fairness:** treat customers fairly throughout the buying and after-sales process.
2. **Safety:** carry out and complete work in line with all regulations and requirements that apply to the new home, as set out by the Government, and have the necessary certificates from an appropriately approved body to show they have done this.
3. **Quality:** complete all work to a high standard in line with all building and other standards and regulations that apply, as well as to the specification for the new home, and make sure that completion does not take place until the new home is complete (see section 2 of this code).
4. **Service:** have in place systems, processes and staff training to meet the customer service requirements of the code, and not use high-pressure selling techniques to influence a customer's decision to buy a new home.
5. **Responsiveness:** have in place a reliable after-sales service and effective complaints procedure to make sure responses to customer queries are clear, thorough and provided in good time.
6. **Transparency:** provide clear and accurate information about buying the new home, including tenure and any costs the customer may have to pay in the future, such as ground rents and service charges.
7. **Independence:** make sure that customers know they should appoint independent legal advisers when buying a new home and that they have the right to ask for an independent precompletion inspection before completion takes place.
8. **Inclusivity:** take steps to identify and provide appropriate support to vulnerable customers and make sure the code is available to all customers, including in appropriate formats and languages.
9. **Security:** make sure there are reasonable financial arrangements in place, through insurance or otherwise, to meet all their obligations under the code, including repaying deposits when they are due and any financial awards made by the New Homes Ombudsman Service.
10. **Compliance:** meet the requirements of the code and the New Homes Ombudsman Service.
