Captivating Calveley

Surrounded by beautiful open countryside on all sides, Calveley is ideally located between the thriving market town of Nantwich and the bustling village of Tarporley.

Bordered by a picturesque stretch of the Shropshire Union Canal, the 'Shroppie', and first recorded as a settlement in medieval times, Calveley still retains its historic rural character.

Just over four miles from the village of Calveley, within sight of Ettley Grove, you will find Beeston Castle. This medieval fortress is dramatically positioned on top of Ettley Hill, after which our development is named.

Nantwich, Tarporley & Bunbury

Ettley Grove enjoys a wonderfully convenient location, as Calveley is in easy reach of Nantwich, Tarporley and Bunbury, which offer a fantastic range of shops, restaurant, cafés, pubs, bars and other services.

Tarporley, with its picturesque high street and beautiful eighteenth century buildings, is less than five miles from Calveley. Along with its historic setting, this thriving village has a wonderful mix of shops and a variety of eateries to visit.

Travel just over six miles to the south east of Calveley to discover the charming market town of Nantwich. Located by the River Weaver, the town is well known for its boutiques, antique dealerships and craft shops, as well as its famous timber-framed buildings.

The pretty village of Bunbury is located a very short distance from Calveley and has several pubs, a café, a local shop and a handy medical centre too.

Nestled in the heart of Cheshire's beautiful countryside, with stunning views towards the Welsh Marches, Calveley is in easy reach of some of the county's most attractive towns and villages.

Tarporley and the historic city of Chester are easily accessed along the A51, while Crewe, with its fast rail links to Manchester, Liverpool, Birmingham and London, is just a bus ride away. With convenient links to the region's motorway network too, Manchester Airport is less than an hour's drive from the village.

Cheshire is renowned for its rural setting and numerous footpaths and cycle routes can be explored from Calveley. Take a stroll on the towpath or enjoy a boat trip along the famous Shropshire Union Canal, which flows right past the village.

History and heritage enthusiasts are spoilt for choice in Calveley, with the well-known castles and historic estates of Beeston, Peckforton, Cholmondeley and Bolesworth all providing scope for enjoyable local days out.

Calveley has its own primary school and is in the catchment area of Tarporley High School. Reaseheath College, a leading FE college, is under six miles away and a number of independent schools are also located conveniently close by.

The New Homes Quality Code: Statement of Principles

This **statement of principles** (the core principles) sets out the main principles which we, as registered developers, agree to follow to benefit customers.

- 1. Fairness:** treat customers fairly throughout the buying and after-sales process.
- 2. Safety:** carry out and complete work in line with all regulations and requirements that apply to the new home, as set out by the Government, and have the necessary certificates from an appropriately approved body to show they have done this.
- 3. Quality:** complete all work to a high standard in line with all building and other standards and regulations that apply, as well as to the specification for the new home, and make sure that completion does not take place until the new home is complete (see section 2 of this code).
- 4. Service:** have in place systems, processes and staff training to meet the customer service requirements of the code, and not use high-pressure selling techniques to influence a customer's decision to buy a new home.
- 5. Responsiveness:** have in place a reliable after-sales service and effective complaints procedure to make sure responses to customer queries are clear, thorough and provided in good time.
- 6. Transparency:** provide clear and accurate information about buying the new home, including tenure and any costs the customer may have to pay in the future, such as ground rents and service charges.
- 7. Independence:** make sure that customers know they should appoint independent legal advisers when buying a new home and that they have the right to ask for an independent precompletion inspection before completion takes place.
- 8. Inclusivity:** take steps to identify and provide appropriate support to vulnerable customers and make sure the code is available to all customers, including in appropriate formats and languages.
- 9. Security:** make sure there are reasonable financial arrangements in place, through insurance or otherwise, to meet all their obligations under the code, including repaying deposits when they are due and any financial awards made by the New Homes Ombudsman Service.
- 10. Compliance:** meet the requirements of the code and the New Homes Ombudsman Service.
