An exceptional opportunity to acquire a prime building plot of approximately 342 m<sup>2</sup>, perfect for the construction of a bespoke detached home (subject to the necessary planning consents). Nestled in a quiet cul-de-sac in the desirable village of Failand, this level site offers the ideal balance of tranquility and convenience, with easy access to picturesque countryside, Clifton, and Bristol city centre. A fantastic prospect for developers, builders, and self-build enthusiasts looking to create a stunning family residence in a highly sought-after location.

## LOCATION

The land is situated adjacent to no. 6 Bowden Way and benefits from road frontage onto the cul de sac. Offering a rural feel with superb access, Failand itself offers a range of amenities, including a café and farm shop, a traditional pub, a village hall, a cricket pitch, and a church. Just 2 miles away, Long Ashton Village adds further convenience with its selection of shops and recreational facilities.

Located approximately 3.5 miles from the iconic Clifton Suspension Bridge, designed by Isambard Kingdom Brunel, this historic landmark provides direct access to Clifton Village, renowned for its stylish boutiques, trendy bars, and diverse restaurants, as well as its proximity to Bristol's vibrant city centre.

## PLANNING

The site is not offered for sale with any planning approvals in place although we understand from the sellers that a previous planning consent may have been granted historically. The site offers potential for the erection of a detached house, subject to obtaining the necessary planning consents. Interested parties should make their own enquiries with the local planning authority to establish the suitability of their intended scheme.

## GROSS DEVELOPMENT VALUE (GDV)

If planning consent can be obtained for the erection of a detached house, we would anticipate a GDV in the region of £650,000 - £750,000 depending on the size of the house and number of bedrooms.
