LOCATION

Gaunts Earthcott is a small Hamlet located in the Parish of Almondsbury, South Gloucestershire. It is located approximately 2.5 miles (4 km) from Rudgeway and the A38 road and about the same distance from Frampton Cotterell and Winterbourne.

The village is located close to the interchange between the M4 and M5 motorways.

DESCRIPTION

The Land at Gaunts Earthcott is an excellent parcel of well-managed, fertile pasture extending to about 47.85 acres (19.36 ha). The land is level to gently sloping in places and is divided into a series of useful sized paddocks, ideal for grazing livestock or horses as well as mowing for hay and silage. The land is classed as Grade 3, good quality land and is bordered by mature hedgerows, in the main. There is access to the highway, from a shared access track with neighbouring residential properties. The fields are well suited for large modern agricultural machinery and equipment. In recent years, the land has been used for grazing with sheep and hay making.

SERVICES

There is mains water connected to the land and an electricity pylon located within the land.

WAYLEAVES, EASEMENTS, RIGHTS OF WAY

The land is sold subject to and with the benefit of all matters contained in or referred to in the title deeds together with all existing rights of way whether public or private including wayleaves, easements, covenants, restrictions and obligations whether specifically referred to in these sale particulars or not. The buyer shall be deemed to have full knowledge of the boundaries and the ownership thereof. There is a public footpath which runs diagonally across the 'middle' parcel of land, leading to the neighbouring golf course.

OVERAGE CLAUSE

The sale will be subject to an Overage Clause to the effect if planning permission is granted for anything over and above agricultural or private equestrian use, for a period of 30 years, 25% of the uplift in value will be payable to the Vendor, or their successor in Title.

SPORTING, TIMBER AND MINERAL RIGHTS

The sporting rights, mineral and standing timber rights are included as far as they are owned.

SCHEMES

The land has not been entered for any SFI and thus creating useful opportunities to submit a suitable application and benefit financially and environmentally.
