Finished to a superlative standard throughout by the present owners to produce one of the best modern homes of its type currently on the market. Completed in 2021 in a smart modern brickwork complemented by sandstone lintels and anthracite grey windows enhanced by a recessed twin columned entrance porch.

Set over three levels of unprecedented accommodation featuring FIVE Bedrooms, four Bathrooms, two/three Reception Rooms and a state of the art Living Kitchen with Sun Lounge/Dining Area. The View offers both the height of luxury combined with many captivating features including an RK door system with finger/pin lock code, polished open tread oak and glass staircases, a built-in media wall, designer wardrobes, bespoke bathrooms and kitchen and an array of beautiful Bedrooms (some with Velux balconies) including the fabulous Master Bedroom suite with a walk-in Dressing Room and luxury ensuite Bathroom. This outstanding house has been lavishly equipped with a combination of porcelain tiles, woodpecker flooring and quality carpets throughout. The ground floor benefits from underfloor heating whilst the first and second floor levels have radiators in each room.

On entering through the statement front door which provides additional security, one is greeted by a stunning Reception Hall from where the solid oak and glass staircase rises to the first and second floor levels with its high vaulted ceiling. The quality floor continues through the hallway into the Cloakroom and two Reception Rooms. The front Lounge features a built-in media wall with built-in Gazco fire flanked by illuminated displays whilst across the hall there is a sizeable Study/Snug with two large windows.

Undoubtedly the impressive Living Dining Kitchen which extends to 31'0 in length forms the hub of this outstanding home featuring a range of stunning cabinets in a matt indigo blue and walnut finish together with a superb 3 metre centre island with Dekton worktops incorporating a sink with Quooker hot/fizzy tap, an induction hob with built-in downdrafter, two slimline wine coolers and a dishwasher. There is a further pantry and Utility Room just off the Kitchen which includes a sink and worktops. The kitchen is beautifully finished with kickboard lighting and copper trims. The porcelain tile floor flows through the Kitchen whilst sliding patio doors opening onto the rear garden. Forming part of the kitchen is the Dining Area/Sun Lounge with its high vaulted signature apex window and further bifold doors.

Upstairs the superb oak and glass panelled Landing serves the fitted Laundry Room and three stunning Bedrooms. Including the fabulous principal Bedroom suite complete with walk-in designer Dressing Room and a luxurious ensuite Bathroom featuring an egg shaped bath and a walk through shower. A further staircase leads to the second floor Landing serving two impressive Bedrooms, each with specially designed walk-out Velux balconies and there is an ensuite Shower Room designed into the roofline.

The outside of the property is just as spectacular as the inside, beautifully landscaped with a generous sett driveway leading in turn to the detached brick Garage with a resin floor and electric folding front door. In the Agents opinion the rear garden is breathtaking - landscaped with avant garde imperial paving, symmetrically laid around a neat shaped lawn with further private rear patio creating the ideal sun spot with a jacuzzi hot tub (available by separate negotiation).
