The Property

A truly outstanding property in a prime location. Nestled in the heart of the ever desirable Waltham, this fabulous semi-detached house offers a rare blend of elegance, comfort and meticulous landscaped gardens that resemble a small private park. Just a short stroll from the vibrant High Street, this property is a true gem that has been refurbished to an exceptional standard leaving no stone unturned.

Thoughtfully extended in 2015, the rear of the home was transformed to create expansive living spaces incorporating a spacious 'L' shaped kitchen with high vaulted ceiling and centre island, a utility room with rear lobby, a bathroom and an additional bedroom/snug. No.15 has been refurbished to perfection including comprehensive plumbing works, extra insulation, expert plastering and underfloor heating in select areas ensuring warmth and comfort throughout.

The house is immaculately maintained including 2/3 reception rooms, 2 bathrooms and 3/4 bedrooms whilst the outside space offers perfect al-fresco dining with patios, raised decking and beyond is a 150 foot lawned garden. In addition there is a large detached garage and workshop, store and an extensive driveway for car enthusiasts and hobbyists which both add practically to the curb appeal.

The principal accommodation includes a warm and inviting hallway with underfloor heating where the staircase leads to the first floor. The lounge with its deep bay provides a relaxing room whilst glazed double doors open into a generous dining room ideal for entertaining.

Beyond lies the heart of the home: the 'L' shaped living

kitchen with its high vaulted ceiling and velux roof lights benefiting from underfloor tiled heating. The kitchen displays a range of shaker style cabinets with a matching centre island and a range of appliances (available by separate negotiation).

Continuing through is the utility room with its rear lobby, a ground floor fully tiled modern bathroom and an additional snug/occasional fourth bedroom with French doors opening onto the rear garden. Upstairs, a pleasant landing serves three excellent sized bedrooms including the principal with fitted modern sliding wardrobe doors and a modern Shower Room.

In the Agents opinion, the rear garden is undoubtedly the main attraction, unbeknown to many, a gardeners dream. A wonderful, private oasis set within stunning gardens resembling a small park offering tranquility and style in equal measure. Guests can enjoy al-fresco dining on the attractive patio or relax on the raised decking whilst taking in the gardens natural beauty.

Beyond the patio and fence is a 150 foot split level lawned garden ideal for the growing family. To the front, an extensive block paved driveway provides plenty of parking with double wrought iron gates leading in turn to the large detached garage and workshop.

This outstanding property offers an exceptional lifestyle opportunity within walking distance of the local High Street with its shops, cafes and schools all within easy reach. A unique and charming home not to be missed.
