Throughout the house used innovative products have been used to create a highly efficient modern home, yet one with traditional features including exposed beams and an open fireplace.

The proportions of the house are beyond the usual expectation of a new build property. From the large gravel driveway, you enter a spacious staircase hall with solid oak flooring. To your left is the large kitchen/breakfast room complete with a hand made Shaker style kitchen, built by a local Cotswold company and limestone flooring. The kitchen is fully fitted with an Island and breakfast bar, and Neff and Miele appliances. These include two large ovens, Induction hob, dishwasher, microwave, boiling water tap, tumble dryer and washing machine. There are two sets of bi-fold doors leading onto the terrace.
