We are pleased to welcome to the market this exceptional three bedroom end of terrace family home with double garage and off road parking in the popular Portchester location of Castle Street.

The home is very well presented throughout and benefits from a huge rear extension with vaulted ceilings, velux windows and french doors opening into the garden. This space features living room and kitchen which is open plan with double doors opening into what could be a separate dining room or bedroom three. To the front of the property is a further reception room currently being utilised as a dining room. There is a also a modern shower room on the ground floor which acts as a en-suite to the bedroom.

Moving upstairs there are two double bedrooms both benefitting from en-suites. Bedroom ones en-suite features separate bath and shower, w/c and wash basin. Bedroom two features shower cubicle, w/c and wash basin.

Externally the property has a front garden with pathway leading up to the front entrance. High bushes and fence line keep the property private from the road and it is a real sun trap. There is side access through the electric gates which leads down to a double garage at the bottom of the garden. This double garage has electric and water supply so has the potential to be converted into a bungalow or annexe (subject to relevant planning permissions)
